Thank You Gino!

I do not have a subscription to InsideEPA (or Inside TSCA) so this is very helpful. I reckoned it was something like this.

I hope to see you at SOT, in the meantime, have relaxing and wonderful holidays!

Best,
Kate

LATEST NEWS

EPA Seeks 'Meaningful' Goal As It Drops Plan To End Animal Testing By 2035

EPA is acknowledging that it has formally dropped its controversial Trump-era directive to largely eliminate the use of mammalian animal testing by 2035, a move the agency suggested in its recent release of an updated "New Approach Methods (NAMs) Work Plan" from which all references to the directive were stripped.
